

# Wonderful World

Travis Garland

I know you've been through a lot of guys  
That don't treat you  
the way you deserve to be treated  
Baby let me show you  
a different side of life  
That's so wonderful, it's so unusual  
I don't want to throw a bunch of lines  
Cause I know that you get that all the time  
And I wish that I could make you realize that  
You're so caught up in me, in me

We can go somewhere  
You've never been before  
Let me take you there  
I'll show you love and more  
Baby don't be scared  
Oh the world is such a  
Wonderful world  
Such a wonderful world  
If you take my hand  
Then we can make it through  
Keep these promise said  
The ones I made to you  
Cause you leave it ends  
Such a beautiful, magical, wonderful world  
Wonderful world

Girl you will never have to  
wait up late at night  
Cause when you lay your head down  
I'll be right by your side  
In the morning we'll wake up  
And you'll open your eyes  
I'm gonna be the first one that you see  
What scares you the most  
is what you know we could be  
But you're so caught up in me, in me

We can go somewhere  
You've never been before  
Let me take you there  
I'll show you love and more  
Baby don't be scared  
Look around it's such a  
Wonderful world  
Such a wonderful world  
If you take my hand  
Then we can make it through  
Keep these promise said  
The ones I made to you  
Cause you leave it ends  
Such a beautiful, magical, wonderful world  
Wonderful world

And I know you're scared to open up to me  
But I'm not the other guys you've been with  
And I know you're afraid of being hurt

But I just wanna show you  
how wonderful you make my world

We can go somewhere  
You've never been before  
Let me take you there  
I'll show you love and more  
Baby don't be scared  
Look around it's such a  
Wonderful world  
Such a wonderful world  
If you take my hand  
Then we can make it through  
Keep these promise said  
The ones I made to you  
Cause you leave it ends  
Such a beautiful, magical, wonderful world  
Such a wonderful world

We can go somewhere  
You've never been before  
Let me take you there  
I'll show you love and more  
Baby don't be scared  
Because you're living in this beautiful,  
Wonderful world  
Such a wonderful world  
If you take my hand  
Then we can make it through  
Keep these promise said  
The ones I made to you  
Cause you leave it ends  
Such a beautiful, magical, wonderful world
