

Your Song

Travis Garland

Understand, first thing baby girl that I am no longer your man.
That doesn't mean you and me can't be the closet of friends.
(And you know)
I even found myself a new girl.
(You know)
Fallin in love with my new girlfriend.
Frankly you know you'll always be in my heart in my heart.
But now

Things are different,
You're being too good for me.
Don't wanna second guess, baby you gotta be.
You're not the girl I knew now you're like sour news.
No I don't want to leave but I know what I gotta do.

This is your song.
Thanks for all the memories.
This is your song,
Thanks for everything we use to be,
This is your song.
Listen to it when I'm gone, (when I'm gone.)

Next thing you need to know is I ain't even tryin compete.
Cuz I'm your best friend,
You should know that
No one can be what you are to me.
(And I know)
You got some kind of me replacement.
(You know)
I'm not the type that you can be replacin.
And I see, that you meant never to be breakin my heart, but it's hard.
But now.

Things are different
You're being too good for me.
Don't wanna second guess, but baby you gotta be.
You're not the girl I knew now you're like sour news
No I don't want to leave but I know what I gotta do.

This is your song.
Thanks for all the memories.
This is your song,
Thanks for everything we use to be,
This is your song.(hey)
Listen to it when I'm gone, (when I'm gone.)

You actin good for me,
Like you just too good for me.
Better treat me better see
Cuz I'm going to be before for too long
This is your song,
Listen to it when I'm gone

You actin good for me,
Like you just too good for me.
Better treat me better see
Cuz I'm going to be before for too long

This is your song,
Listen to it when I'm gone

This is your song.
Thanks for all the memories.
This is your song,
Thanks for everything we use to be, (everything we couldn't be)
This is your song.
Listen to it when I'm gone.

This is your song. (Things are different you're been too good for me)
This is your song
This is your song, (You're not the girl I knew now you like sour news)
