

Another One

Travis Greene

You do everything on purpose
I can feel your Spirit stirring
I've been praying You've been working
Working it all for good

Fan the flame and keep it burning
You're refining in the furnace
All the waiting will be worth it
Cause You're working it all for good

Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
Cause another one is on the way
Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
Cause another one is on the way
Another one is on the way

Rushing wind and living water
God of signs and God of wonders
If you will it what can stop it
You're working it all for good
Yea you're working it all for good

Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
Cause another one is on the way
Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
Cause another one is on the way
Another one
Another one
Another one is on the way

Another one
Another one
Another one is on the way

If He told the sun
When to rise
And it did
He will again
And if He told the storm
To be still
And it did
He will again
And if He told the sea
Where to split
And it did

He will again
And if He told the walls
When to fall
And they did
He will again
And if He told the chains
When to break
And they did
He will again

And if He told the bones
And if He told the bones
Come alive
Come alive
And they did
He will again
And they did
He will again
And if He told the stone
Roll away
And it did
He will again
And if He told the stone
Roll away
And it did
He will again
And if He told the grave
Let him go
And it did
He will again
And if He told the grave
Let him go
And it did
He will again
And again and again and again
And again and again and again
Cause another one is on the way
And again and again and again
And again and again and again
Cause another one is on the way

Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
Cause another one is on the way
Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
Cause another one is on the way

Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
Cause another one is on the way
Miracle after miracle
Open door after open door
Here it comes
So get ready for another one
Cause another one is on the way

And if He told the chains
When to break
And they did
He will again
