

Blind Love

Travis Greene

I thought I knew about you
From what I heard before
I found out I knew a little
And there was so much more
To find you would take forever
You came to me instead
That's what I love about you

I don't wanna get used to it
Don't let me get used to it

I didn't know that I was lost until you found me
I didn't know that I was broken 'til you made me whole
I was blind and then you came and opened my eyes, open my eyes

That's what I love about you
You have love for the blind
That's what I love about you

So many scattered pieces
I fell so far behind
You knew just what I needed
It was you the whole time
And I knew better, but you would never
Turn your back on me
That's what I love about you

I was a dead man walking
I was a blind man begging for something
Then You came & You changed everything

I was a dead man walking
It was dark, couldn't find my way
Then the sun turned my night to day
All I know I was blind but now I see
I can see

I was a dead man
I was a blind man
I was hopeless
Then You came & You changed everything

Opened my eyes, open my eyes
I was blind and then you came and opened my eyes
