

Dependable

Travis Greene

Thank You for saving me
Thank You for loving me
Too much to leave
You're not just the God who saves
But You are the One that remains the same
Every high and low, You'll stay always
I can count on You

Your Love is not temporary
Up and down, in and out
When it starts, it won't stop
Your love will keep going
On and on and on
You are dependable, God

Thank You for saving me
Thank You for loving me (Too much)
Too much to leave
You're not just the God who saves (So much)
But You are the One that remains the same (Every)
Every high and low, You'll stay always (Always)
I can count on You

Oh, You are not Ordinary
Here today, then far away
You'll be there, when they're not
Your love just keeps going (Going)
Without end, limitless
You are dependable, God

Thank you for saving me
(Oh, I wanna thank you, yeah)
Thank you for loving me (Oh)
Too much to leave
You're not just the God who saves (No)
But You are the One that remains the same
(You are so much more, You remain, oh)
Every high and low, You'll stay always
I can count on You

You'll be right there, always (Oh, oh)
I can count on You
And the one I can rely, always (Oh, oh)
I can count on You
