

Gave It All

Travis Greene

Whoah oh oh oh ohoh ohoh
Whoah oh oh oh ohoh ohoh
Whoah oh oh oh ohoh ohoh

Whoah oh oh oh ohoh ohoh

You gave it all for me
I give my all to you Jesus

You gave it all for me
I give my all to you Jesus

Born to die
Raise to life
Finish the work to make me new
Present my life as a sacrifice
Its the least I can do

You gave it all for me
Now I'm free to live for you
Completely

You gave it all for me
I give my all to you Jesus

You gave it all for me
I give my all to you Jesus

Born to die
Raise to life
Finish the work to make me new
Present my life as a sacrifice
Its the least I can do

You gave it all for me
Now I'm free to live for you...
Completely

You gave it all for me
I give my all to you Jesus

You gave it all for me
I give my all to you Jesus

You left heaven just to get me there
You left heaven just to get me there with you

You left heaven just to get me
You gave it all for me
Now I'm free to live for you

You left heaven just to get me there
You left heaven just to get me there

You left heaven just to get me there
You left heaven just to get me

You gave it all for me
