Pressed down I'll be Your key
To release a new sound, make melody
If You're pleased, just give me a chance
To show You that I'm serious
And I'll take Your hand
Make noise to draw the curious
Show them You're here with us

Used, used by You
Can I be used, used by You?
Just an instrument
I'm Your instrument
Play me
Lord used, used by You
Whatever You want me to do
I'm Your instrument, yeah yeah
I'm Your instrument, play me
'Cause I'm your instrument

When I'm tuned I'll be Your strings
The sound of heaven will fill the room with harmony
And I will bring everything that I am
To show You that I'm serious
And I'll take your hand
Make noise to draw the curious
Show them You're here with us, yeah

Used, used by You
Can I be used, used by You?
Just an instrument, yeah whoa
Yeah I'm Your instrument, play me
Whoa
Used, used by You
And whatever You want me to do
I'm Your instrument, yeah yeah
Oh, I'm Your instrument
Play me
I'll be Your instrument

I'll be a, I'll be a instrument for You
Just for You, just for You

I'll be loud, Your symphony
Whenever You want to hear a sound
You can trust me to keep the beat
Through the night we'll dance, oh yeah
And have our own experience
I know I'm safe in Your hands
We'll make noise to draw the curious
Show them You're here with us, yeah

Used, used by You
Oh, can I be used, used by You?
Just an instrument, yeah whoa
I'm Your instrument
Play me, whoa
Used, used by you

And whatever You want me to do
I'm Your instrument, yeah whoa
I'm just Your instrument
Play me
Oh, I'm Your instrument

Whoa oh
Oh oh oh oh
So play me
I'm Your instrument...
