

La La

Travis Greene

Take a look
You will see what He's done
In my life, victory
He has won it all
I'm amazed
It's crazy how He's kept me
Won't leave me alone
Evidence of His love, is Who I am
Confident, He'll hold me up in His hand
Yeah, all I need, He is faithful to supply it
No denying that

Everything I need
For Him is easy
And this blows my mind every time I think
So I'll just sing

La-la-la-la
I'll just sing
La-la-la-la
Oh, it's my love song to you
La-la-la-la
And it blows my mind every time I think
So I'll just sing
La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la
And it blows my mind every time I think
So I'll just sing
La-la-la-la
La-la-la-la
La-la-la-la
And it blows my mind every time I think
So I'll just sing
