

# Lay It Down

Travis Greene

Why should I worry  
Why should I be afraid  
Freedom's calling me  
To another place  
God is waiting  
With arms opened wide

Please don't carry  
All that guilt & shame  
Give it over  
He'll take it away  
Joy is waiting  
Put that weight aside

He's never failed ya  
He never will  
It's not in his nature  
He has something greater  
So cast your cares  
On the one who cares for you

All your burdens  
All your cares  
If its heavy  
Come & lay it down  
Altar's open  
Leave it there  
Joy is waiting  
Come & lay it down

Please don't carry  
All that guilt & shame  
Give it over  
He'll take it away  
Joy is waiting  
Put that weight aside

He's never failed ya  
He never will  
Its not in his nature  
He has something greater  
He's never failed ya  
He never will  
Its not in his nature  
My God is more than able  
So cast your cares on him

All your burdens  
All your cares  
If its heavy  
Come & lay it down  
Altar's open  
Leave it there  
Joy is waiting  
Come & lay it down

God is faithful

He is able  
He can handle  
Every problem  
Bring your burdens  
To the altar  
There's an answer  
Come & lay it down

God is faithful  
He is able  
He can handle  
Every problem  
Bring your burdens  
To the altar  
There's an answer  
Come & lay it down

God is faithful  
He is able  
He can handle  
Every problem  
Bring your burdens  
To the altar  
There's an answer  
Come & lay it down

All your burdens  
All your cares  
If its heavy  
Come & lay it down  
Altar's open  
Leave it there  
Joy is waiting  
Come & lay it down

God is faithful  
He is able  
He can handle  
Every problem  
Bring your burdens  
To the altar  
There's an answer  
Come & lay it down

Come & lay it down

Come & lay it down

Come & lay it down

Come & lay it down

Come & lay it down

Come & lay it down

Come & lay it down

Come & lay it down

Come & lay it down

You can come & lay it down

You can come & lay it down

Come & lay it down  
Come & lay it down  
Come & lay it down  
Come & lay it down  
Come & lay it down...
