

Simple Matter

Travis Greene

It's a simple matter
It's a simple matter

I got a feeling
There is a healing on the way
My God is willing and able
To do whatever He chooses

Don't miss the moment
Everything you need is waiting for you
And if you could just believe
Dig a little deeper, you'll see Him move

And this is a simple matter
Miracles are easy for God
Yeah this is a simple matter
Nothing's too hard for God
He can do that too

What He's done for me, He can do for you
Don't tell me what God can't do
What He's done for me, He can do for you
It's a simple matter

Is there a witness
Who has seen it with your eyes
I was the one out of ninety nine
Who wasn't left behind

That was the moment
Everything about me was totally changed
And if you could just believe
Open up your heart and receive His grace
He'll make you new

And this is a simple matter
Miracles are easy for God
Yeah this is a simple matter
Nothing's too hard for God
He can do that too

What He's done for me, He can do for you
Don't tell me what God can't do
What He's done for me, He can do for you
It's a simple matter

And this is a simple matter
Miracles are easy for God
Yeah this is a simple matter
Nothing's too hard for God
He can do that too

What He's done for me, He can do for you
Don't tell me what God can't do
What He's done for me, He can do for you
It's a simple matter
