

## Sing Praises

Travis Greene

Give me a moment, let me vent  
Got this new revelation that's heaven sent  
But I won't jump up too deep, keep it relevant  
Speak my mind one more time on these instruments  
They put so much pr-pressure on presidents  
Try to hide Jesus name and they're confident  
Like there's someone, more power in elements  
Arrogant scientists blaspheming elegantly

They'll see that there's never been  
A better time to give reference  
To the king they give praise to Him  
Holy holy holy shouts the seraphim  
The angel dance around while caroling  
And now before our God over again  
Continue worship will never end  
Whatchu waitin' on?  
Don't hesitate, let's join in!

Let's shout, let's sing praises  
To the true only living king  
And we'll dance, we'll bow, worship  
Until God sends His glory down

Down, but up to another level  
Don't get comfortable because there's several  
But God knows the lazy's own schedule  
If life's the haiku, He's the syllable  
Biblical critics try hard to show  
A clever error never successful  
The words filled with truth, that's believable  
If they need any more proof, I got eternity

And they'll see that there's never been  
A greater time to give reverence  
To the king they sing praise to Him  
Holy holy holy shouts the cherubim  
The host of angels dance while caroling  
And now before our God over again  
Continual worship will never end  
No time to waste, open your mouth and join in

Let's shout, let's sing, His praises  
To the true only living King  
And we'll dance, we'll bow, worship  
Until God sends His glory down

There's a song in my heart that  
I have to let out  
There's a praise on my lips so lift up a shout  
I won't hesitate, no  
I'll praise Him right now  
And His praises shall continually be in my mouth  
So I'll say

La la la la la la la  
La la la la la la say

La la la la la la la  
La la la la la la la

For everything we have  
For everything You are to us  
We will sing praises  
We will sing unto You, Lord

For everything we have  
For everything You are to us  
We will sing praises  
We will sing unto You, Lord

For everything we have  
For everything You are to us  
We will sing praises  
We will sing unto You, Lord

Let's shout, let's sing praises  
To the true only living king  
We'll dance, we'll bow, worship  
Until God sends His glory down

Oh, we need Your glory, God  
Hey, so we'll worship You, Jesus  
For the things You have done in our lives

La la la la la la la  
La la la la la la la  
La la la la la la la  
La la la la la la la
