

Somehow

Travis Greene

There is a promise hanging over my head
You will perform it just like You said
You're no man that, that You should lie
You feel no fear, so
Why should I?
Why should I? Yeah

Somehow
Somehow
You'll come through
Like You always do
Somehow
Somehow
You'll step in
For I know this is not my end (Woo)
Not my end

There is a promise, yeah (There is a promise)
(Hanging over my head)
I know (You will perform it)
Just like (Just like You said)
(You're no man that, that You should lie)
(You feel no fear) No fear
Why should I?
Why should I?

I know somehow (Somehow)
Somehow (Somehow)
You will (You'll come through)
Like You always do
Somehow, woo (Somehow)
Somehow (Somehow)
(You'll step in) Hey
(For I know this is not my end) Not my end

Not my end
You're still writing my story
And it's not my end
No, no, no

No room for fear
You're standing here
You are always with me, God
And when the night gets dark
You're never far
For You are right here with me, God
There's no room (No room for fear)
(Standing here)
You are always (You are always with me, God)
Yes, you are (When the night gets dark)
I know You're never far (You're never far)
(For You are right here with me, God)

Somehow
Somehow (Somehow, You'll come through)
(Like You always do)
(Somehow, somehow)

You will, hey (You'll step in)
I know (For I know this is not my end)

There is no room, no room, hey (No room for fear)
You never left me, you never left me (Standing here)
(You are always with me, God) You're a good, good father
Yeah, yeah, hey (When the night gets dark)
You're right here (You're never far)
You're right here, you're right here (For You are right here with me, God)
(No room for fear) Hey, hey
(Standing here) Thank you, Jesus
(You are always with me, God) You're always with me, oh God
(When the night gets dark) Always, when night gets dark
(You're never far) No, you are never far
(For You are right here with me, God)

Oh, you're always right there with me, hey
(You are right here with me, God)
I don't want to be left alone
You're always right there by my side
(You are right here with me, God)
You are right here with me
(When the night gets dark)
You are right here with me, yeah (You're never far)
(For You are right here with me) You're right there with me, God
(When the night gets dark)
(You're never far)
(For You are right here with me)
I'm not afraid of the dark no more
You're my refuge and strength in the time of trouble
(When the night gets dark)
You're never far (You're never far)
Oh, Jesus
You are right here with me, God, oh

You're always there
You're always there
You are right here with me, God
