

Track Record

Travis Greene

I thought I knew what I wanted
'Cause I wanted it bad
But I'm glad
That You knew what I needed
And You had a plan
Instead

I know
I can be unsure sometimes
I can't trust how I feel
I'll trust what I know
I know one thing for sure

That You are, You are good
Your track record is good
Your promises are sure
You'll come through like You said You would
You are, You are good
Never stop being good (no never, no never)

Heard how You show up
But I had my doubts
'Til I found
There's joy in the waiting
Yea that's when You work
It out

I know
You're never behind, on time
I can't trust how I feel
I'll trust what I know
I know one thing for sure

That You are, You are good
Your track record is good
Your promises are sure
You'll come through like You said You would
You are, You are good
Your track record is good
Your promises are sure
You'll come through like You said You would
'Cause You are, You are good
Never stop being good (no never, no never)
Never stop being good

Never, He'll never, He'll never, He'll never
He'll never, He'll never, He'll never stop being good
Never, He'll never, He'll never, He'll never
He'll never, He'll never, He'll never stop being good

I can't remember a time He's failed me
He's always workin' it for my good
Trouble and chaos came to surround me
Tried to convince me - I wish it would
Through every valley refused leave me
Showed me a battle He hasn't won
I made a promise, I won't be silent

Look what the Lord has done
Look what the Lord has done

Never, He'll never, He'll never, He'll never
He'll never, He'll never, He'll never stop being good
Never, He'll never, He'll never, He'll never
He'll never, He'll never, He'll never stop being good
Never, never, never, never
Never, never, never stop being good
Never, never, never, never
Never, never, never stop being good

If you wanna see His track record
Look at me, we have history
If you wanna see His track record
Look at me, we have history
If you wanna see His track record
Look at me, we have history
If you wanna see His track record
Look at me, we have history

Look what the Lord has done
Look what the Lord has done

Never, never, never, never
Never, never, never stop being good
Never, never, never, never
Never, never, never stop being good
