

# Wonder

Travis Greene

I've been through hurt  
I've been through pain  
Wish I had time  
So I could explain  
How God's been good  
Oh, He made a way  
Every time I was in trouble  
Somehow, He won the battle  
Now I know  
It was nobody  
Now I know  
It was nobody but You

When my soul looks back and wonder  
Oh, how I made it over  
When my soul looks back and wonder  
Now I know  
It was nobody  
Nobody but You

I've been through ups and downs  
Doctor's reports  
With no one around  
But You've been there  
When I needed You most (When I needed You most)  
Every time I was in trouble  
Somehow, You won the battle  
Now I know  
It was nobody (It was nobody)  
Now I know  
It was nobody but You

When my soul looks back and wonder  
How I made it over (How I made it over, ooh)  
When my soul looks back and wonder (Since I've been with Him)  
Now I know  
It was, it was nobody  
Nobody but You

It was nobody  
Oh Lord, it was nobody but you  
So we lift our voice and we cry

Hallelujah, thank You Lord  
You have been a wonder in my soul  
Hallelujah, thank You Lord  
Oh, You have been a wonder in my soul  
Hallelujah, thank You Lord  
You have been a wonder in my soul  
Hallelujah, thank You Lord  
You know I thank You Lord  
You have been a wonder in my soul, yeah

When my soul looks back  
How I made it over (I couldn't imagine with out You)  
When my soul looks back and wonder (Lord, I couldn't live without You, yeah)  
Now, now I know

It was nobody, no  
Nobody but You  
Nobody but You Lord  
(How do You feel with Him? What would it be without You?)
