

# You Keep Me

Travis Greene

Yeah, I've sinned  
Fell short of Your glory  
Messed up, ain't proud of it but  
Your love is more than enough  
You keep on keeping me, yeah

And don't know why You never left me  
I'm not sure but through it all, Lord, You kept me  
And I'm here by Your grace and love  
And You keep on keeping me

Ooo, You keep me  
Ooo, never let go  
Ooo, You keep me  
Safe in Your arms  
No danger or harm's in You

You keep on keeping me  
You keep on keeping me  
You keep on keeping me  
Ooo, You keep on keeping me  
You keep on keeping me  
You keep on keeping me

Ooo, You keep me  
Ooo, never let go  
Ooo, You keep me  
Safe in Your arms  
No danger or harm's in You

Ooo, You keep me  
Ooo, never let go  
Ooo, You keep me  
Safe in Your arms  
No danger or harm's in You

No weapon formed  
No, shall prosper, no  
Safe in Your arms  
And You keep on keeping me

No weapon formed  
No, shall prosper, no  
Safe in Your arms  
And You keep on keeping me

No weapon formed  
No, shall prosper, no  
Safe in Your arms  
And You keep on keeping me

Ooo, You keep me  
Ooo, never let go  
Ooo, You keep me  
Safe in Your arms  
No danger or harm's in You

You keep on keeping me  
You keep on keeping me

Over and over (over and over)  
You keep on (keeping me)  
Over and over (over and over)  
You keep on (keeping me)  
Over and over (over and over)  
You keep on (keeping me)  
You keep on (keeping me)  
You keep on (keeping me)

Over and over (over and over)  
You keep on (keeping me)  
Over and over (over and over)  
You keep on (keeping me)  
Over and over (over and over)  
You keep on (keeping me)  
You keep on (keeping me)  
You keep on (keeping me)

Over and over (over and over)  
Over and over, over and over (over and over)  
You keep on (keeping me)  
You keep me yeah

Ooo, You keep me  
Ooo, never let go  
Oo, You keep me  
Safe in Your arms  
No danger or harm's in You
