Yea, I'm still in this bitch  
My nigga T Cole E

Hard back at it, the same old thing  
Me and Spinz got 10, 50 girls with tongue rings  
Ho catch me the hunnids, I'm just being honest  
Your body doing magic, my diamonds doing numbers

Back at it again, back at it with Spinz  
When I ain't whippin the coupe I'm in back back of the Benz  
Back mackin in France  
You don't understand it boy  
Yea we make a movie but we don't ever played oh

Got diamonds, ho is stunned

Too turnt up, back at it with Spinz  
Too turnt up, back at it with Spinz

Ok, on the highway, know a nigga smash shit  
I don't give a damn about no 5 o'clock traffic  
Weed burning up, windows rolled up  
I'm headed to the cash with a blunt rolled up  
So what?

Still on that same shit, fresher than a bitch  
Switch up the floor low  
Switch up the holler  
Yo bitch my squad here  
Put a house tomorrow nigga  
Ain't no freeloading, I'm hangin around with ya'll niggas uh

T's going down, I'm digging in the pound  
I pull up with my round, I know they gon hold me down  
Behold TTU, they turnt up on the crew  
We back it, line to line and you're a pig, cool

Ho, I'm back at it  
Ho, I'm back at it  
Back, at it, back at it again  
Too turnt up, back at it with Spinz  
Too turnt up, back at it with Spinz
