

# Money Right

Travis Porter

It's on  
The way she dance with a girl (I like all that)  
Baddest bitch in the world (I like all that)  
Goddamn look at her Ali, sexy eyes pretty feet yeah

Pop that pussy baby  
Show them niggas you ain't scared in here  
Make that money baby  
Show them niggas you ain't scared in here  
Shake them titties baby  
Show them niggas you ain't scared in here  
Make em get that money right  
Make em get that money right

All my girls in DOA  
You know they get that money right  
All my girls in blue flame counting up that money tonight  
All my girls in magic city running through that check tonight  
Make em get that money right  
Get that money right

I fall in the club, I just poured a deuce  
This hoe on the pole getting motherfucking loose  
Popping her pussy, she shaking her ass  
She making it gushy  
I'm running through these bands  
Hunnids only, I don' got no change  
All that ass on ya, it's a goddamn shame  
Show ya pussy ring to the goddamn gang (let me see it)  
Do it for the shakers in the goddamn flame  
Okay now pop that pussy for me  
Pop that pussy for me  
Pop, pop that pussy for me  
I swear I think she loves me  
She say she's from New Orleans  
But that shit ain't important  
She just want her money  
Mama ain't raise no dummy

Pop that pussy baby  
Show them niggas you ain't scared in here  
Make that money baby  
Show them niggas you ain't scared in here  
Shake them titties baby  
Show them niggas you ain't scared in here  
Make em get that money right  
Make em get that money right

All my girls in DOA  
You know they get that money right  
All my girls in blue flame counting up that money tonight  
All my girls in magic city running through that check tonight  
Make em get that money right  
Get that money right

Money raining on you girl [x3]

I said the money raining on you girl  
The way you shake make me want it girl  
I've got a couple thousand on me girl  
I'll go get some mo if you climb  
On top of that pole  
Hit the top and drop it low oh  
Go to the back and count your dough  
She got a bag full of skrilla  
Homework in the sealer  
Shawty all about her business  
And you got to pay to visit  
Shawty gotta get it

Pop that pussy baby  
Show them niggas you ain't scared in here  
Make that money baby  
Show them niggas you ain't scared in here  
Shake them titties baby  
Show them niggas you ain't scared in here  
Make em get that money right  
Make em get that money right

All my girls in DOA  
You know they get that money right  
All my girls in blue flame counting up that money tonight  
All my girls in magic city running through that check tonight  
Make em get that money right  
Get that money right

The way that you dancing on the pole (I like all that)  
The way that you drop it down to the floor (I like all that)  
The way your pussy popping on your knees (I like all that)  
The way that you dancing with such a tease (I like all that)  
Gimme a likkle liquor  
Might throw you couple figures  
Might treat you a lil special  
I just pull up on a nigga  
Ain't non' wrong with strippers  
That's what I consider  
Might treat you presidential  
Just come roll with a nigga  
Blue flame I love you, Magic I love you  
Might throw you something baby girl if you lucky  
I heard you looking for me  
Well pop that pussy for me  
I see you acting a lil nervous  
Let me tell you something

Pop that pussy baby  
Show them niggas you ain't scared in here  
Make that money baby  
Show them niggas you ain't scared in here  
Shake them titties baby  
Show them niggas you ain't scared in here  
Make em get that money right  
Make em get that money right

All my girls in DOA  
You know they get that money right  
All my girls in blue flame counting up that money tonight  
All my girls in magic city running through that check tonight  
Make em get that money right  
Get that money right
