Where the trap niggas at, just re'd up
Got the bloods in the bath throwing beez up
We gonna fuck up the commas
We went through air like McDonald
We just on stunner

Dodging hole like a prenup
Skid along and make clean up
Spend 10k then reYup
Got a whole lotta money nigga we up
9 times out of 10 I'm leaned up
9 times out of 10 she geed up
She ain't got no ass but she a D cup
She got double shot of heny in a tea cup

In the back of the club where them weed up
Got Spodee with me throwing C's up
I done lost all my hold in a rito
I don't lost all my holes out of rid of
Out of stk we feed her
We the 3 live crew bitch 3 up
Hit your girl every time that we meet up
She ain't real good but the pussy beat up, damn!

Diamond hanging on my neck
Rollie chillin' on my arm
Ice cubes in my ear, ice cubes in my trunk
Hoe I look like an Egyptian
Pure gold on my ring
Bbs in it my pending, I got this shit from a king

Hey ladies, hey ladies
Your pussy ride like a Mercedes
I need an old bitch born in the 80's
I need one that ain't got no babies
Hey fellows, hey fellows

Cause you hanging in the club with your fellas
Bitch don't trust us she met us

Dodging hole like a prenup
Skid along and make clean up
