

Shake Break

Travis Porter

Catour, fuck it up

Gon' shake it for a nigga
Gon' buss that shit open
Gon' pop it for a nigga
Shawty super damn thick
Shawty got thighs and hips
Shawty got ass and lips
Throw it back and then dip
Hit a split and a flip
If the pussy got grip
Take her shoppin' at Phipps
She get my cash off the rip

Shake break, shake break
Shake break, shake break
Shake break
Gon' shake it aye gon'
Shake it for a real nigga shawty

Shake break, shake break
Shake break, shake break
Shake break
Gon' shake it aye gon'
Shake it for a real nigga shawty

I'm 'a hit it first like Ray J (Like Ray)
Put her on tape like Ray J (Damn)
Give her one wish like Ray J (One wish)
But she don't look good in the face
Shawty look bad, Sheneneh (Ugh)
Hit her from the back doin' the NaeNae (Ugh)
Hit it one time aye bae bae (Hey)
And I'm 'a do the race like Tay K (Skee)
Naw shawty don't play play
She suck dick like a Shake Weight
Naw we ain't go on vacay
She gon' fuck on the play date
I'm a legend in the city
I like magic with the city
I like ass with big titties

Shake break, shake break
Shake break, shake break

Gon' shake it aye gon'
Shake it for a real nigga shawty

Shake it for a real nigga shawty

B-I-G my bitch booty

We gettin' groovy like Austin Powers
Third Ave back to Bourbon Street
Gotta hit the strip club, rain cloud
Got a hundred thousand in a Porsche wildin'
Tell her best friend she can eat it out
If her other friend, she can keep the count
You a street bitch then you can peep it out
Hit the bitch then kick her out
I don't send her texts
I don't send her flowers
Call that bitch my Nighcrawler
She only pop up after hours
I don't care if she bad as hell
If that pussy wack, shit endin' sour
Drop by and just get the mouth
Like fast food I be in 'n out

Gon' shake it for a nigga
Gon' buss that shit open
Gon' pop it for a nigga
Shawty super damn thick
Shawty got thighs and hips
Shawty got ass and lips
Throw it back and then dip
Hit a split and a flip
If the pussy got grip,
Take her shoppin' at Phipps
She get my cash off the rip

Shake break, shake break
Shake break, shake break
Shake break
Gon' shake it aye gon'
Shake it for a real nigga shawty

Shake break, shake break
Shake break, shake break
Shake break
Gon' shake it aye gon'
Shake it for a real nigga shawty
