Everybody say pussy and keep going  
I was driving down the street  
And I hit me a pussy  
Curve her in the gate  
Cause yo niga is a pussy  
Ran through the city  
Said I'm looking for some pussy  
Great pussy strength  
That smelly ass pussy  
Last night I threw  
My whole fist in a pussy  
Make it rain shit  
Throw money in the pussy  
Eat roast beef  
And it look like pussy  
Aye!  
Hahaha  
Puss
