

## Sum Head

Travis Porter

All I want is what's on top a yo shoulders  
Don't wanna bend u over  
No pit pat or riff raff  
Suck this thang with ya tit tat  
Don't wanna do it girl get back  
Suck suck baby no kit kat  
Pleeeeeease baby don't mitch match  
Lil strap but RECALLL (strap)  
Herr heads on top a yalls  
She get to it suck dick an balls  
Her sex game is off the wall  
And I fuck audience big and tall  
Psyche! I was just playin with ya'll  
U my type yeah little and small  
Right on up to go round and round  
Round and round she right and round  
I just found  
The girl I need to do me just like Nike  
Face down no sound I like it  
Plus shawty dikin'  
She ready for whateva  
Girl u betta tell ha...  
It's nine inches or betta over here

A Girl all I want is head head  
Just a little bit bit bit  
Then I'm a lay back on this bed bed  
Bitch gimme some head  
All I want is head head head  
All I want is head head head  
All I need is head head head  
All I want is head head head  
All I need is head head head  
All I want is ""  
All I need""

Girl come get close to me  
Put yo head between my knees  
Make yo head go up and down like you jumpin on trampoline  
Girl don't come trample me it's enough for all you three  
If u wanna get with me then common baby follow me  
Get a lil closer let me show u what they all gon see  
And it's going where yo jaws should be  
Keep yo draws on cause NAW they ain't all for me  
Pass that hoe to Strap and he gon beat them walls fa me  
He gon break the law fa me  
Them hitters unlawfully  
Man tell me why WHY?  
Why these hoes is all on me  
And I ain't all alone  
This bitch gave me stadium nigga fuck a dome

I ain't with all that cakin shit  
I ain't with all that datin shit  
I just want for u to common ova we can make some shit(hey wat dat is?)

A a movie jump in that Jacuzzi  
Shawty kissin on me rubbin and tryna seduce me  
I ain't tryna fuck shawty on the real tip  
Fa real u know what it is  
Whisper in her ear lips like Angelina  
Makin me wanna say hey what u doin [fade to chorus]
