Don't ask 'bout my fit, it cost a lot, yeah
I cannot stand out, I'm standing in, you know where I'm at (I can not stand)
Ever since I came in, I just put my top down
Okay, gettin' jaded, but I can't feel my face now (Pluto)

Pull up in foreigners, I'm droppin' the top (Oh yeah)
Turn up my savages, word to Allah
Turn up my shooters, it ain't no more robbin' (Turn up my shooters, oh yeah)
Lil' bitty poodle niggas ain't no problem (Oh yeah)
She wanted a poodle, it cost me twenty thousand (Oh yeah)
Fresh in the photo, but didn't need a stylist

I'm Wallie the Sensei (Oh, oh)
Took his bitch on the weekend, he ain't get her back 'til Wednesday
And I got a problem with spendin' too much money
That's what my friends say (Freebandz, that's what my friends say)
Pulled up in a '23 drop-top, woah

I won't make her my bitch, but I'm still hittin'
Fuckin' on queens, but I ain't from Great Britain
I'm all in her stomach, I ain't fittin'
That bitch told me, "Slow down," but I ain't listen
They be like, "You a king, you need to slow down,"
I'm drinkin' that lean, I'm still sippin'

Drankin' on codeine and went to the top (I drop my top)
It's diamonds in my watch and I can't see the clock (Oh yeah)
Pull up in foreigners, I'm droppin' the top (Oh yeah)
Turn up my savages, word to Allah (Oh yeah)
Turn up my shooters, it ain't no more robbin' (Oh yeah)
