

# COFFEE BEAN

Travis Scott

Bad, bad news  
I'm just bad, bad news  
Good thing that you, Bonnie and Clyde  
The money and who?  
It's bad news  
Bad, bad for you  
But I'm back on the coffee bean  
Anything in between (this is all, this is all)  
Back of the coffee line  
Back, back, back in the bathroom line (this is all)

How would you feel if I had you?  
Trust me, you'd be mad too  
Shawty, we can be mad cool  
Just hit me if anything past due  
Your family told you I'm a bad move  
Plus I'm already a black dude  
Leavin' the bathroom, my hands is half-rinsed  
If only a nigga just had sense  
Speaking in past tense  
It's been a week and a half since  
We ain't been speaking in mad mins  
You feeling free in my absence  
I've been going through a lot behind this glass tint (this is all, this is all)

Back of the coffee line  
Back, back Back in the bathroom line (this is)  
I know they told you I'd be bad for you

Don't worry I'll be back for you  
All the money and cars  
Stripper hoes and the tattoos  
Bad news  
Back off a coffee bean  
Reflecting on all you see (this is all, this is all)

Stressing over award shows  
She's stressin' over her wardrobe  
Bought the mansion on foreclose  
No matter how many tickets your tour sold  
You feel this deep in your torso  
Feel like someone's readin' your horoscope  
Some shit only me and the Lord knows  
SOS, that's for those who hear this in morse code  
Too many doors closed Cul-de-sacs and foreign doors  
Still ended meet up at the North Pole  
This is where remorse goes  
Shoulda had you in Divorce Court  
Fighting over your seeds, writing over your D's, sliding over your keys  
Alimony and fees, as your lawyer proceeds  
To give out bad news

I'm just bad, bad news  
Good thing, but you was right  
The money and who?  
It's bad news

Bad, bad for you  
But I'm back on the coffee bean  
Anything in between (this is all, this is all)  
Back of the coffee line  
Back, back, back in the bathroom line (This is all)
