

I Can Tell

Travis Scott

I can tell
I can tell baby, I can tell
I can tell baby, I can tell
You ain't told no tales, you ain't told no tales
I can tell baby, I can tell
I can tell baby, I can tell
I can tell baby, I can tell
I can tell

I can tell 'bout the night tales and the dry spells
All the wrong one and the right things to stay away from
And how we took off and how we on top
And how we won't fall, how we going up
Or how we came up, or how we came up
It all started in the basement
Was an attic but we called that shit the basement
Basis to break all my momma's vases
I shot my first 8 then nigga I probably wasn't eight then
Always hit the gas like I broke wind
They said my way of making dollars never made sense
Come take a dive a waterfall in the deep end
I can tell you 'bout the nights out in Fort Bend

I can tell baby, I can tell
I can tell baby, I can tell
I can tell baby, I can tell
I can tell baby, I can tell
You ain't told no tales, you ain't told no tales
I can tell baby, I can tell
I can tell baby, I can tell
I can tell baby, I can tell
I can tell baby, I can tell
No you don't tell

Yeah, I can tell 'bout the night tales
And all the dry wells and the long roads
And all my ideas before the cornrows
How we came up and how we came down
Going donuts, coffee couldn't help now
How we zoned out, made it out the wood now
And what it do when they wanna be your friend now
How to get it, how to live and get it in now
How to great for straight profits making his demands now
I been impulsive, non-emotional, staying humble 'bout it
Tilt the posture, sick, pass the bottle
Five-o-four hot boys, might have to bad rap like Silkk the Shocker
But I'mma pull up the silk, to shock her with the silk
Nigga you know I been a rocker, dripping milk and knockers
Take it up another notch, take it up another notch
I top a, pop a pill, pop a seal to forget about you
I'll bombacot you, bomba bomba blocka shot you
Bling and bang, a bang a rapper
Bangarang, I brought my money back
Orangutan dollars, ring-a-ling
Bitches hanging on my dang-a-lang

I can tell baby, I can tell

I can tell baby, I can tell
I can tell baby, I can tell
I can tell baby, I can tell
You ain't told no tales, you ain't told no tales
I can tell baby, I can tell
I can tell baby, I can tell
I can tell baby, I can tell
I can tell baby, I can tell
No you don't tell
