But, really, the truth is you scared of the 6

My dick just got hard 'cause a wire just hit
My schedule is out, come spin us, for real
Man, fuck all that spinnin' the narrative shit
I melt down the chains that I bought from yo' boss
Give a fuck about all of that heritage shit
Since V not around, the members done hung up the Louis
They not even wearing that shit
Don't come to the boy 'bout repairing some shit
Don't come to the boy about sparing some shit
You lucky that Vogue was suing
'Cause I would've been with the Wassas in Paris and shit
