

Pussy

Travis Scott

Been Trill, motherfucker
Mike-WiLL Made It
Ear Drummers
Been Trill, bitch

I had to get her right
That pussy changed my life (straight up)
That pussy changed my life (straight up)
That pussy changed my life (straight up)
I had to get her right
That pussy changed my life (straight up)
That pussy changed my life (bricks)
That pussy changed my life (straight up)
I had to get her right
That pussy changed my life (straight up)
That pussy changed my life (straight up)
That pussy changed my life (straight up)
I had to get her right (flex)
That pussy changed my life (straight up)
That pussy changed my life (straight up)
That pussy changed my life (straight up), Been Trill

Wake up in the mornin', throwin' on them Nikes
Runnin' through that check, shout my nigga Phil Knight
Oreos in Oregon State, pop twenty pills in the night (ooh)
Goin' a thousand miles in another state
They ain't oreos but they bright (straight up)
Clap it break that back, she just made a stack (ooh)
Niggas in that trap still totin' them straps (that dope)
If you make it where I'm from
It's like a lone star in the sky that's all black (Been Trill, motherfucker)
A 'ménage à trois' with black dykes, damn
That's the new civil rights (straight up)
Accidentally walked in the club, all these bitches bite (ooh)
Told my mama fuck a major, best decision my life (straight up)
Now niggas in the corridor, I'm velvet down to my corduroys (La Flame)
Got bottles by the cases, pussy by different races

I had to get her right
That pussy changed my life (straight up)
That pussy changed my life (straight up)
That pussy changed my life (straight up)
I had to get her right
That pussy changed my life (straight up)
That pussy changed my life
That pussy changed my life (straight up), Been Trill, motherfucker
I had to get her right
That pussy changed my life (straight up)
That pussy changed my life (straight up)
That pussy changed my life (straight up)
I had to get her right (flex)
That pussy changed my life (straight up)
That pussy changed my life (straight up), Maybach Music
That pussy changed my life (straight up)

Purp in my itch palms, red lips six inches long (Been Trill)
Took her like a hooker, now come get your Shaun

I left her outside, I left her mouth dry
Feed her to the mountain lions 'cause that bitch try countin' mine
Pussy, nigga, you's a pussy-nigga (you just a pussy-nigga)
You be doushin', I be pushin' ether
Bitch, you fuck-boy cunt
Won't be satisfied 'til I see ya'll suffer in the sun
Chiefin' while I'm beefin', turn my odds to evens
My lawyers are some heathens
Beat it blowin' on some on reefers
If you didn't want a war, then why you'd wage it then?
I only wear jeans, I could fit a gage up in
I'm so high right now, look like I'm in Japan
Amazing, junkie jit came up major in
Trench team, ten deep, red beam, laser tag
Bring it, what you got?
Police and pistols don't phase your man

I had to get her right
That pussy changed my life (straight up)
That pussy changed my life (straight up)
That pussy changed my life (straight up)
I had to get her right
That pussy changed my life (straight up)
That pussy changed my life. Been Trill, motherfucker
That pussy changed my life (straight up)

Look up at my eyes and I know you see a bad guy
Try to front on us, man, you better ask them last guys
Suicide doors pull up when we ride by
Goon niggas hop up with guns fuck a drive by
Smokin' weed on the jet, bitch, I'm fly high
You don't wanna give me neck? Bitch, bye-bye
On to the next bitch, I hope she bi-bi
'Cause I love bitches that love bitches that love bitches
I love fuckin' on they friends and I love fuckin' on they sisters
Bad bitches roll my swishers, Goddamn, I'm that nigga
Smokin' on that reefer thinkin', "How can I get richer?"
Damn shawty bad like the old Detroit Pistons (damn)
Damn I wanna fuck, when I hit, I'm gettin' misses
Treat her like shit man its "fuck-a-bitch feelings"
Money stacked tall, man, it's touchin' my ceiling
Money stacked tall, man, it's touchin' my ceiling

I had to get her right
That pussy changed my life (straight up)
That pussy changed my life (straight up)
That pussy changed my life (straight up)

Holy moly, all them niggas dead
All them pussies fed
Let 'em live? Meh
Young owl in the dark
Thought he'd make it, never
Do you hate 'cause they know I'ma be here forever (straight up)
Never fuck with the black and blue
Duck cause a nigga might shoot
Shocked what a nigga might do
Young nigga blessed like a nigga ah-choo (bless up)
In the Mo they smokin' raw diesel
Evil Knieval whip pullin' off in the dust (skrrt, skrrt!)
Throwin' flame rocks when a bitch might jerk (straight up)
Bouncin' this bitch like it's tennis
Rich and still eatin' at Denny's

Hotels phones, I'm talkin' that business
Came up with the ones that was with me
Besides, nigga, your niggas facade, nigga
She off shoe with that Snooki
Don't fall in love with that pussy (straight up)

I had to get her right
That pussy changed my life (straight up)
Been Trill, motherfucker
