Jet right to you, I can't do no traffic (skrrt, skrrt)  
I can't do no lacking (skrrt, skrrt)

Cause you're sweet like cocoa  
But all you wanna do is the coco

Link up all my niggas and my jewelers  
Link up, link up, pour my syrup  
Bad bitch, yeah they link up  
Go bezerk, go do some shit you think of (yah, yah)  
Link, link, link, artists link, link, link  
Leave my link, link, links  
Smoke all my shit, time to start again (yah)
