Travis Scott

I'm riding up uptown (whoo)  
I'm a motherfucking monster (whoo)  
One hand on the wheel, one hand on my dick  
I'm a motherfucking monster (whoo)  
You riding up uptown (whoo)  
One hand on the wheel one hand my dick

At the green light I'm speedin', fourth wheel on, I'm weavin'  
I got red eyes and swag seizures, all my concerts fillin' them bleachers  
Ooh girl with this camo on, they can't see us  
Tossed in a little more dank and a little more drank then La Flame might lean  
To the point where they can't be topped, fuck around, make the Latinas pop  
It's a new world order, never had my head on my shoulders  
Beware of the monsters; ain't that what your preacher told yah?  
La Flame 500 degrees from the uptown to the magnolia

I'm a motherfucking monster (whoo)  
I'm a motherfucking monster (whoo)  
I'm riding up uptown, I'm a motherfucking monster (whoo)  
One hand on the wheel... uhh

Damn you gorgeous, tell me somethin' I don't know  
Dice on the corner with the lights low, got the base in my sock, fuck the 5-0  
Damn you conscious, gon' get your head off the plate though  
Lemme show you Yamamoto, take a little lick of the mayo  
Out on 135th.. spendin' them pesos  
Tell my nigga Fergie Ferg keep the back locked cause we got a little bit of tango  
Real nigga from the south to the east they feel a nigga  
Been a while since a nigga get a wait, take a little taste, leave you numb feelin' in the face  
I'll pass if that pint ain't sealed, I'll make your weak inhale  
XX know that we gon' die for this and probably keep it trill  
Chain links, by nigga, popular, demand nigga  
My bitch pearls from the clams, nigga, she can ride the dick no hands

While I'm ridin' uptown (whoo, whoo)  
I'm a motherfuckin' monster (whoo, whoo)

It's that young Fergestein (Little Frankenstein), pockets full of Benji Franklins; teacher, stay in line  
Cannot take a break; in time, I'll take ya shine, take your bitch, hit it from the back - I'll break her spine  
(I'm a lady) Your bitch look like Shanaynay  
Margiela so cold feel like Tommy get to his payday  
Going nuts like a PayDay, bitches thinkin I'm crazy  
My fraternity is the burna heat, I'm a Kappa nigga with an AKA  
Barkin' loud like Q-Dogs, movin' niggas like U-Hauls  
Pussy niggas so RuPaul, you pussies get me tight like blue balls

I'm ridin' up uptown  
I'm a motherfuckin' monster  
I'm ridin' up uptown...  
Hand on my dick...
