

# WAKE UP

Travis Scott

I don't wanna wake up  
I want you spread out on the sheets  
Said her pussy so good  
And her pussy so sweet  
I don't wanna wake up  
I want it flowing through my streams  
Getting me hot  
Under my feet  
I don't wanna wake up

Please don't wake me up, I feel it creeping (yeah)  
Controlling how you moving, lucid dreaming (dreams)  
Always on the side of different seasons, yeah, yeah  
Took the belt-way down to your hood  
Say you was in the crowd, I never looked  
Looking back how things came back around  
Guess I was hooked  
Burn the bread and then we burn the town  
We both was cooked, yeah  
Nah, nah, please don't wake me up, feel like I'm dreamin'  
Any given Sunday, you can get it, Willie Beamon  
I can make your Mondays even better like the weekend  
That's coco out my ice tea (coco, yeah, yeah)  
Bend her over for some piping (it's lit!)  
Bust a cloud, shoot the lightning (pop it)  
Pop it now, no, we can't sleep

I don't wanna wake up (yeah)  
Want you spread out on the sheets (it's lit!)  
Say, pussy so good (pop it)  
Oh, pussy so sweet (yeah)  
When I wake up (yeah, yeah)  
Wanna drop top on the beach (straight up)  
Getting me high, yeah (yeah)  
Under my feet  
When I wake up

You decide if I live or die  
When you're close, I'm alive, I can feel the sky  
I just want your body close to me (oh)  
And if I OD  
I'll be alone with no heartbeat  
I hold the hills with a coast in the Lambo  
And the doors going up, suicide

I don't wanna wake up (I don't wanna wake up)  
I want you spread out on the sheets (want you spread out on the sheets)  
'Cause that pussy so good (pussy so good)  
Girl, that pussy so sweet (pussy so sweet)  
I don't wanna wake up (I don't wanna wake up)  
I want it flowing through my streams (want it flowing through my streams)  
Getting me hot (getting me hot)  
Under my feet (under my feet)  
I don't wanna wake up
