

Only You

Travis Tritt

Only you
Can make this world seem right
Only you
Can make the darkness bright
Only you and you alone
can thrill me like you do
And fill my heart
With love for only you

Only you
Can make this change in me
For it's true
You are my destiny
When you hold my hand
I understand
The magic that you do
Your my dream come true
My one and only you

Only you
Can make this change in me
For it's true
You are my destiny
when you hold my hand
I understand
The magic that you do
Your my dream come true
My one and only you

Your my dream come true
My one and only you
