Gaslight

Travis

Is there something wrong with me?
'Cause I feel you're ignoring me
Golden showers on my head
Rainbows missing presumed dead
I think I might just stay in bed

Oh I'll be doing fine until you shine
Gaslight
Always on my mind until you shine
Gaslight

Make no mistake I.C.U
Paging Mr. No Can Do
Poison on an IV drip
Fourteen years so sick of it
I've finally given you the slip

Oh I'll be doing fine until you shine
Gaslight
Always on my mind until you shine
Gaslight
On and on and on and on and on and on
I'm losing sleep now
On and on and on and on and on and on
I don't believe you

Ask me why I look so blue (Look so blue)
You tell me there could be a screw (screw you)
Loose in here, you're losing here
The spell is broken

I'll be doing fine until you shine
Gaslight
Always on my mind until you shine
Gaslight
I'll be doing fine until you shine
Gaslight
Always on my mind until you shine
Gaslight
