

Here Comes the Sun

Travis

Little darling, its been a long cold lonely winter
Little darling, it seems like years since its been here
Here comes the sun, here comes the sun and I said
It's alright

Little darling, the smile's returning to your faces
Little darling, it seems like years since its been here
Here comes the sun, here comes the sun and I said
It's alright

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since its been here
Here comes the sun, here comes the sun and I said
It's alright
It's alright
