

# Indefinitely

Travis

Everyday in every way I'm falling  
Everything that everyone says turns me on/off  
Shine a light on me  
So that everyone can see  
That I wanna stay here indefinitely  
Time exists but just on your wrist so don't panic  
Moments last and lifetimes are lost in a day  
So wind your watches down please  
'Cos there is no time to lose  
And I'm gonna stay here indefinitely  
And I wanna stay here so just let me be  
Now I can see the light circling round your reflection...  
And I'm gonna stay here indefinitely  
And I'm gonna stay here so just let me be  
Indefinitely, indefinitely, indefinitely  
Indefinitely, indefinitely, indefinitely.
