

Luv

Travis

D **D7maj**
What's so wrong
D **D7maj**
Why the face so long
G
Is it over
Emi7
And where you going that
Emi7 **A7**
You no longer belong here
D **D7maj**
And distance tells you that
D **D7maj** **Hmi**
Distance must come between love
G
Where have you been luv
A7
When the mistake we made
D
Was in never having planned to fall in love luv

F#
Singing this song
Singing along
Hmi
Makes it easier for me to see you go
Emi
But in doing so
In letting you go
A7
It only serves to show me
That I'm still in love with you

D G Emi7 A7

F#
Singing this song
Singing along
Hmi
Makes it easier for me to see you go
Emi
But in doing so
A7
It only serves to show me
That I'm still in love with you

D **D7maj**
So what's so wrong
D **D7maj**
Why the face So long
G
Are you changing
Emi7
And where you been to that
Emi7 **A7**
You no longer remember
D **D7maj**

And distance tells you that

D **D7maj** **Bmi**

Distance must come between love

G

Where have you been luv

A7

It's just the chance we took

D

Having never ever planned to fall in love luv

A7

It's just the chance we took

D

Having never ever planned to fall in love luv

A7

It's just the chance we took

D

Having never ever planned to fall in love luv
