- 1. Another day, I feel the weight of the atmosphere's pressure
 And I can't escape
 I try to run, I try to find my feet,
 My soul is sticking to the street
 I get a move, I got to get myself to clean my shoes
 And take the cynic route
 I was afar, I'm following the star
 Home isn't where you are
- R: And everything is falling into place
 And then we move again
 So take the curve and move along
 Until we're gone, we're moving on
 And on, and on, and on
 And on, and on, and on
 And on, and on, and on
- 2. I feel alive, I am aware of the colors in the sky And where the birds don't fly And if the night is coming pretty soon I'm walking through the dark with you I've got to play I've got to listen to my toy today On the motorway And I could feel, the ground beneath my wheels, Putting me back in my place
- R: +
 And on, and on, and on
 And on, and on, and on
 And on,
- 3. Another day, another place where I can find my way Take the avenue way And I know exactly where to go Home isn't where you stay
 R:

I feel alive, I am aware of the colors in the sky And where the birds don't fly And if the night is coming pretty soon I'm walking through the dark with you
