New York, New York,  
Good bye girl

And they meet  
On Blaker Street  
Or the Park that is Central  
Oh no  
I watched the sun go down  
Down down beneath the ground  
And it's a new day,  
It's a new dawn,  
In New Amsterdam.

The stranger in the moonlight,  
Looks stranger in the moonlight

And they meet  
On Blaker Street  
Or the Park that is Central  
Oh no  
I watched the sun go down  
Down down beneath the ground  
And it's a new day,  
It's a new dawn,  
In New Amsterdam.

And we meet  
On Blaker Street  
Or the Park that is Central  
Oh no  
I watched the sun go down  
Down down beneath the ground  
And it's a new day,  
It's a new dawn,  
In New Amsterdam.
