

No Cigar

Travis

I've got a lot of answers
For someone with no questions
I've got a lot of questions
But questions give you cancer

Oh, we've come so far
So close, but
No cigar

Our love is like a flower
It needs an April shower
I've been dying in the gutter
But not for very much longer

Oh, we've come so far
So close, but
No cigar

The distance from
Here to there
Is greater than
Here from now?

Dobber

Oh, we've come so far
Oh, we've come so far
So close, but
No cigar
