

# The Beautiful Occupation

Travis

Don't just stand there watching it happening  
I can't stand it  
Don't feel it  
Something's telling me  
Don't wanna go out this way  
But have a nice day

Then read it in the headlines  
Watch it on the TV  
Put it in the background  
Stick it in the bag  
Stick it in the bag

For the beautiful occupation  
The beautiful occupation  
You don't need an invitation  
To drop in upon a nation

I'm too cynical  
I'm just sitting here  
I'm just wasting my time  
Half a million civilians gonna die today  
But look the wrong way

Then read it in the headlines  
Watch it on the TV  
Put it in the background  
Stick it in the bag  
Stick it in the bag

For the beautiful occupation  
The beautiful occupation  
You don't need an invitation  
To drop in upon a nation

Don't just stand there watching it happening  
I can't stand it  
Don't feel it  
Something telling me  
Don't wanna go out this way  
But have a nice day

Then read it in the headlines  
Watch it on the TV  
Put it in the background  
Stick in the bag  
Stick in the bag

For the beautiful occupation  
The beautiful occupation  
Don't need an invitation  
To drop in upon a nation

The beautiful occupation  
The beautiful occupation  
So much for an intervention  
Don't call the united nations
