1. All I wanted was a chance to say

**Dsus2**

I would like to see you in the morning

**Em**

Rolling over just to have you there

**Dsus2**

Make it easy for a little bit longer

**D Dsus4**

**But Here**

**G G/F#**

closer every year

**Em**

So near

**A9/C#**

The fear is coming clear

**Dsus2**

My dear

**Dm C**

The fear is here

**Em**

Hottest summer in a hundred years

**Dsus2**

But summer didn't bother getting up this morning

**Em**

so all of the trees forgot to wake they were

**Dsus2**

dropping all their leaves on the ground below them

**D Dsus4**

**But Here**

**G G/F#**

closer every year

**Em**

so near

**A9/C#**

The fear is coming clear

**Dsus2**

My dear

**Dm C**

The fear is here

**Em Dsus2 Em D**
