Shall we see it now?  
I don't want to spend a boring day  
Oh-oh, oh-oh  
How are you? How have you been?  
Should I listen to some music?  
Forget all the tough things today  
Oh-oh, oh-oh

Yeah, yeah  
Let's go to heaven together  
Push the schedule back to tomorrow  
Leave your mind blank for now  
Does time work in our favor? I keep going

What you doin' out there? Dance excitedly  
We play as if it's our last  
There's a long way to go in the morning, so get rid of your fatigue  
Here's to this moment again, cheers!

Even those who are tired and exhausted, clap!  
If you're happy, let's smile all together and clap!  
Doesn't matter when the sun goes down, just mind the time  
For today, that won't return (Yeah, yeah, yeah, yeah)

Yeah, oh, don't stand still while in a daze  
Don't read my mind just leave your body to the rhythm  
Just put your shoulders down for today  
All the hard work you've done so far goes home  
Put your chin up, don't be embarrassed, black out, no, no  
Paint the town red, as if there's no tomorrow, the reins loosen up, up (Uh, uh)  
I won't stop (Uh, uh)  
Even if you put everything down here, it's okay, yeah

Even those who are tired and exhausted, clap!  
If you're happy, let's smile all together and clap!  
Doesn't matter when the sun goes down, just mind the time  
For today, that won't return (Yeah, yeah, yeah, yeah)
