Girl, you so fire
Ignited in my heart
Spreading deep into my veins, burning up

Gotta, gotta get it
Yes, I'm the king
What you want? You got it
Let me talk about it, let me talk about it
Let me talk, let me talk, let me talk about it

Now we gotta get our game on
Gotta shake the ground
Gonna break it down, go (Ah, ah, ah, ah)

Ooh, I'm afraid of the darkness
Please light up my life
Oh, I breathe in your love
Because that's my world

Here we go
Make it, make it drop
Yeah, my heart is like King Kong
My heart goes pop, pop
Lose control
Never ever stop
Do it, here we go, bass drum
We go hard, hard, hard, hard

Feel a shock
Let's go up to the top just like you want, uh
Let's go together, we won't die
Don't have to say it
I don't wanna, wanna, wanna, wanna wait
Smash it, jump over it, leave it behind
I don't need anything else
As long as I have you, everything's okay
But don't hold my baby responsible
Her only sin is making my heart beat
Makes my heart beat, I'm freaked out too
My heart which used to be like a stone
Shines like a pearl
My heart keeps going ba-ra, bum, bum, bum

The love that fills up every crevice of my body (Ooh, ah, ah)
You drive me crazy
And I can't control it
This is what we came for, came for
Now we gotta get our game on

Gonna break it down, go (Ah, ah, ah, ah)
