You're the only one TREASURE

Weary sky light  
Sun goes to sleep  
Wind blows  
It's all passing by  
Like waking up from a dream  
New again  
It's alright it's going to be fine

My heart is hazy  
I can't breathe it feels stuffy  
I wanna go back to the good times  
Ha~ sighs keep coming out  
I want to easily turn on any music  
And dance with you

When the rain stops  
Just like the clear sky waiting for us  
A better day will come  
Spring comes after Winter ends  
Flowers will bloom wherever you go  
As if to see you

It's gonna be alright  
C'mon

Don't worry  
Smile at me warmly once more with passion!  
You're prettier when you smile  
Cheer up  
We will eventually shine light  
Open your eyes  
You're the only one, TREASURE

If it doesn't work out who cares just start over  
Don't cry anymore  
When tomorrow comes your existence will shine light  
You're the only one, TREASURE  
It's all good day

A desolate world  
The atmosphere is too deep  
I'm thirsty for happiness, I want an oasis  
I need it, Plane in the sky

We can believe as always  
Never lose your smile  
We'll come back to the day we're happy  
We're gonna be ok

When the rain stops and the sunny day comes

We'll be happy yea  
You always come to me and hold my hand  
Even tears will help

Don't worry about anything  
Do whatever you want any way you like  
Just enjoy  
As if you're showing it to others

It's gonna be alright  
C'mon

Don't worry  
Smile at me warmly once more with passion!  
You're prettier when you smile  
Cheer up  
We will eventually shine light  
Open your eyes  
You're the only one TREASURE

After the dark dawn  
The sun that had been asleep will rise  
When it shines on us  
Faded happiness and  
The love that didn't bloom  
Will grow back again  
Never give up  
You're a TREASURE

All we need is love  
Don't worry  
Smile at me warmly once more  
You're prettier when you smile  
Cheer up Just for me  
You'll shine brighter  
You're the only one  
You're my TREASURE

If it doesn't work out who cares just start over  
Don't cry anymore  
When tomorrow comes your existence will shine light  
You're the only one TREASURE

If you can't do it who cares just start over  
Laugh out loud  
When tomorrow comes your existence will shine light  
You're the only one TREASURE
