

## Great Kindness

Tree63

A greatfull man  
bows before You to thank You Lord  
In silent tears for  
there is so much to thank You for  
I have nothing, nothing if not for You

How can I repay You?  
What can I ever give back to You?  
I always will remember  
Your great kindness

In desperate need  
I cried out, You delivered me  
My soul from death,  
my feet from stumbling  
My eyes from tears  
I will lift up salvation's cup  
And call Your name

I have everything,  
yet nothing If not for You
