How Did I Sleep?

But I kept my fingers crossed
As if that would somehow rescue me

How did I sleep?
How did I sleep?
How did I sleep

Under the covers I pretended not to cry
And there you were magnified by the tears
Reaching your hands to me waiting patiently

How did I sleep?
How did I sleep?
How did I sleep
Without you, without you?

How did I sleep?
How did I sleep?
How did I sleep
Without you, without you
Without you, without you?

Without you
How did I ever try?
How did I sleep?

Rise and shine, awake for the first time
Rise and shine, awake for the first time
Rise and shine, awake for the first time
