

# I Stand For You

Tree63

Jesus I stand for You  
No matter what You lead me through.  
They will chase me out, and close me down  
But Jesus, I'll stand for You.

I'll always stand, I'll always stand  
I'll always stand  
For You.  
I'll always stand  
I'll always stand  
I'll always stand  
For You.

Jesus, I've stood my ground  
When unbelief was all around  
I have felt the sting, rejection brings  
But Jesus, I'll still stand for You.

I'll always stand  
I'll always stand  
I'll always stand  
For You.  
I'll always stand  
I'll always stand  
I'll always stand  
For You.

A time will come  
When everyone  
Will turn their eyes,  
On the Risen Son  
But until that day, this world will turn away  
And so I take Your hand  
I'll always stand for You.

Guilty of disgrace,  
But You took my place

So Jesus, I'll always stand  
For You.

I'll always stand  
I'll always stand  
I'll always stand  
For You.  
Yeah, yeah  
I'll always stand  
I'll always stand  
I'll always stand  
For You.

For You  
I'll always stand for You
