

# Trust

Tremonti

Give me a reason  
Give me some strength oh give me hope  
Give me direction, home  
Tell me you're dying  
Tell me you just don't know what from  
Oh you've been tryin', so long

(You just don't know)

So put your trust in me  
So I can show you how  
To leave your past behind  
So I can make you mine  
Make you mine

Give me instruction  
Give me a target and a cause  
Lend me destruction, because  
Because it's okay  
Because my past, it was a lie  
It's never too late, to try

(Oh, I will try)  
Oh, I will try!

So put your trust in me  
So I can show you how  
To leave your past behind  
So I can make you mine  
Make you mine

All they will see  
Eventually  
Oh how, they will reign  
Eternally, yeah  
Oh I, I will show  
I'll show the way  
The way

So put your trust in me  
So I can show you how  
To leave your past behind  
So I can make you mine

So I can make you mine  
So I can make you mine
