

Would You Kill

Tremonti

Why does it take so long?
Some of us, we bear this weight alone
How do the rest survive?
Some of us, we fight to stay alive

Would you know if it might be the end?
Would you kill if the chance came again?
Are you brave when you can't see tomorrow?
Would you kill, would you beg, steal or borrow?

Why does it go nowhere?
Time and time again, another year
Why do we take the fall?
Why don't we just turn and take it all?

Yeah

Would you know if it might be the end?
Would you kill if the chance came again?
Are you brave when you can't see tomorrow?
Would you kill, would you beg, steal or borrow?

Would you know if it might be the end?
Would you kill if the chance came again?
Are you brave when you can't see tomorrow?
Would you kill, would you beg, steal or borrow?

(Would you kill?)
(Would you kill?)
(Would you kill?)
(Would you kill?)
