Brave Sound

Every day
Was like a dream (Like a dream)
When I think about you in my heart
It feels like I had it all
Why do
You let me go? (You let me go?)
With those beautiful lips
You try to say goodbye, why?
I know it's almost over
But don't say that right now
I'm not ready
How can I let you go?
Even if it's a lie
Even if it's only for a day
Like nothing's changed
Hold me in your arms, baby

I just never wanted much from you
Thinking about me in your heart
You smile looking at me
I wanna see you, yeah

I need your comfort now
My heart aches this much
Why are you trying to leave me
Leave me alone, why do you wanna go away?

Ooh, ooh-ooh, ooh, ooh

Ooh, ooh-ooh, ooh, ooh-ooh

Ooh, ooh-ooh, ooh, ooh

Why do you wanna go away?

I miss you again

I look for you all day

Even if I pass out from tiredness

Yeah

When I wake up every morning

My mind is filled with thoughts of you again

You will leave me soon

Yeah, uh, but if you're leaving anyway

Can you comfort me just for a day? (Comfort me)

Reasons to cry and reasons for leaving me

Can you put them aside for tonight?

You're not just anybody, yeah

I don't want nobody, yeah

When everything is done, baby, I don't wanna see you

I wouldn't ask any more of you, please stay with me now

I never wanted much from you

Just to think about me in your heart

To smile looking at me

I wanna see you, yeah

I need your comfort now

My heart aches this much

Why are you trying to leave me

Leave me alone, why do you wanna go away?

It hurts so much

When I think about you, I feel comforted, even now

I feel like I can reach you

Please don't let me go like this (Woah, woah)

I need your comfort now

My heart aches this much

Why are you trying to leave me

Leave me alone, why do you wanna go away?

Ooh, ooh-ooh, ooh, ooh

Ooh, ooh-ooh, ooh, ooh-ooh

Ooh, ooh-ooh, ooh, ooh

Why do you wanna go away?
