

Breath now
Furueta koe no sue
Set me free now
Yume no oku e

Let's make it right and make it higher
Kakusenai yo mō
Let's make it right and make it higher
Senmei ni terasou

Yeah hatenai shissō ikigire mo I know my fate
Ima itami ga kodō takanara seru
Keep on movin' genkai ni wa okamai-nashi
Mayowazu erabu kankaku sore ga my rode

Ay hikari ga on the other side
Tada oikakeru oh oh oh
Yeah tashikana ima subete
Kono hibi ga highlights yume no yōda

We can fly kon'na jiyūna kaze
We shine a light yami ni osowa retatte
Until the sunrise, daylight
Tomaranai naniyori mo akaku moeru tame

Still on my way
(Still on my way)

Yeah I'm makin' my way
Doko ka ni mukatte we go
Tsudzuku iki no hate
Everyday, subete ga my way

Umi ga kagayaku saryū wa diamonds
Oshiyoseru omoide wa nami mitaida
Kazu aru naka no ketsumatsu
Mata tachiagare michiru kata e megake aruki dasu

Find the universe sukoshi mo kowakunai
Where's the light? tte fuan nante wasurete sa
Sore wa tashikana mono ni kawaru
Yuragu koto wa mō nai

We can fly kon'na jiyūna kaze
We shine a light yami ni osowa retatte
Atarashī taiyō, sekai mukiaou ka
Naniyori mo akaku moeru tame

Still on my way
(Still on my way)

Yeah I'm makin' my way
Doko ka ni mukatte, we go
Tsudzuku iki no hate
Everyday subete ga my way

Tomaranai story

To the top, to the top, woo-oh
Genkai datte koeyou
Don'na kyōfu ni demo uchikatsu yo

Yeah zero to hunnit amidashi
We gonna break break break
Tada hashiri tsudzukero
I'm never giving up
Mō jiyū-sa
Kaku my destiny

Yeah I'm makin' my way
Doko ka ni mukatte we go
Tsudzuku iki no hate
Everyday subete ga my way
