

Alone

Trevor Daniel

Yeah, I think I'm better off alone
Yeah, I think I'm better off alone

I know this is typical
But it's not me, it's you
Better off riding solo
Maybe I should go
I should just leave

One fight takes two nights of my life
Three times a week, it keeps on happening
You're wrong, I'm right
Or I might need time
To see what's really happening

Some nights I don't pick up the phone
Some fights keep going on and on
Alright, I think I've had enough
I don't think I was made for love

Yeah, I think I'm better off alone
(Yeah, I think I'm better off alone)
Yeah, I think I'm better off alone
(Yeah, I think I'm better off alone)
When you talk to me
It don't feel the same
When you're calling me
I just wanna, I just wanna let it ring
Yeah, I think I'm better off alone
(I think I'm better off alone)

I'm tired of this, I tried to fix my heart
But I'm a mess and really I'm convinced
You'll never get the messages I try to send
How can you get the message if
It's been a while since we lost connection?

Part of me feels like this is all my fault
Don't even know where I belong
Never know until you're gone
Really hope I'm not wrong again

Some nights I don't pick up the phone
Some fights keep going on and on
Alright, I think I've had enough
I don't think I was made for love

Yeah, I think I'm better off alone
(Yeah, I think I'm better off alone)
Yeah, I think I'm better off alone
(Yeah, I think I'm better off alone)
When you talk to me
It don't feel the same
When you're calling me
I just wanna, I just wanna let it ring
Yeah, I think I'm better off alone
(I think I'm better off alone)

(Yeah, I think I'm better off alone)
Yeah, I think I'm better off alone
(Yeah, I think I'm better off alone)

I'm tired of this, I tried to fix my heart
But I'm a mess and really I'm convinced
You'll never get the messages I try to send
How can you get the message if
Yeah, yeah, yeah, it's so hard

Yeah, I think I'm better off alone
(Yeah, I think I'm better off alone)
Yeah, I think I'm better off alone
(Yeah, I think I'm better off alone)
When you talk to me
It don't feel the same
When you're calling me
I just wanna, I just wanna let it ring
Yeah, I think I'm better off alone
(I think I'm better off alone)
